## COMPREHENSIVE PLAN UPDATE FOR MONSEY, HILLCREST AND WESTERN RAMAPO AREAS

### PUBLIC OPEN HOUSE #2

#### The Town of Ramapo Invites You!

Join us to hear what we've learned so far from the public input to date and to build on those ideas as we explore future land use and development opportunities together. **This is your opportunity to react to, refine, and help shape the vision for how and where Ramapo grows.**

This public engagement effort is part of the Comprehensive Plan Update and Generic Environmental Impact Statement (GEIS) for the unincorporated areas of Monsey, Hillcrest, and Western Ramapo. The updated Comprehensive Plan will guide future growth and development while addressing key issues such as traffic congestion, walkability, and housing attainability.
